Interesting!

In 1995, the potato became the first vegetable to be grown in space.

Pears ripen from the inside out.

The proper name for a bunch of bananas is a 'hand'.

A sardine and a pilchard are actually both the same species of fish.

Headteacher's Message

As summer appears to be fast approaching could I please remind parents to send pupils to school with sun cream if hot weather is forecast. We have some stocks in school and will assist pupils in applying cream if necessary. A letter will be coming out soon for you to consent to sun cream being applied by staff if necessary. It would also be useful if pupils can have a cap to protect their heads and faces from the sun on sunny days. Caps are not permitted to be worn inside school.

As I mentioned earlier in the week pupils may now wear white polo shirts if parents wish. These should be tucked in at all times.

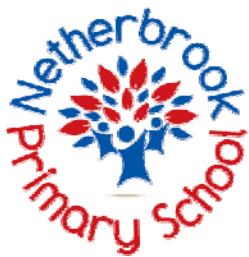

As many of you are aware we parted company with Mr Everton (Cover teacher) at Easter. We have been joined by Mr Williams and Ms Taylor until the end of the term to cover Mr Everton's role in school. In a few weeks we will welcome back Mrs Ketteringham-Walsh who has been on maternity leave. She will be supporting Year 1 as they prepare for the Phonics Screening Checks in June.

The week beginning Monday 4th May will be a short week for pupils. Monday 4th is the May Day bank holiday and the school is also closed for the National General Election on Thursday 7th May. The following week is the dreaded SATs week in Year 6 so please ensure that your child attends school this week if they are in Year 6.

The School Disco takes place on Thursday 29th April and tickets will be on sale soon for that. Please make sure an adult is available to collect children at the correct time at the end of each disco, pupils
