Headteacher's Message

Dear Parents/Carers,

Many thanks to those of you who came to Parents' Evening last night, I spoke with many parents and the overwhelming feeling was very positive throughout the night. If you weren't able to come for any reason please contact your child's class teacher to arrange an appointment for another day. I hope you all enjoyed the free dining hall food tasting and took the opportunity to sign your children up to some of the fantastic extra-curricular clubs on offer this term. Contact Mrs Barfoot if you would like information on sports clubs or Mrs Frost for Choir information.

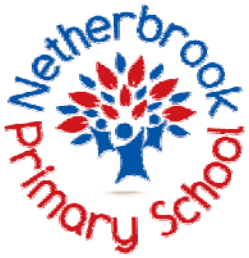

The school Halloween disco (organised by the FONS) is on Wednesday, please make sure you know what time to drop off/collect your children. Reception children will be brought to the hall by staff and should be collected from the main entrance. Children in Upper and Lower School should be dropped off in the big KS2 playground by the Year 4 doors and should be collected from the main entrance later, this method greatly eases congestion. Please remember **ALL PUPILS** regardless of age or year group need to be collected at the end of their disco. **NO pupils** will be allowed to walk home alone. Please be aware that the official school photographs are being taken the following day on 22.10.15. I would advise parents to think carefully before spraying their children's hair green for the disco 😊

Can I also remind everyone that following half term the uniform is strictly shirt and tie for Reception – Year 6 and all pupils should wear an appropriate royal blue jumper or cardigan as it is now colder. I have had a few parents ask me recently if certain shoes are ok for school, I always appreciate it when people check, however, as a general rule of thumb, school shoes should always be black 'Clarks' style traditional shoes, not boots, trainers or sandals etc. Pupils without the correct uniform will be given loan items to wear for the

Reception and Year 6 height and weight checks

As part of the government's National Child Weight Measurement Programme, Reception and Year 6 children will soon be weighed and measured in school by the School Nurse.

You will shortly be receiving a letter informing you of the process. We want to make sure that we have the correct address details for your child, therefore can you please let the school know if you do not receive the letter in the next 2 weeks and also if you move house in the school term because they will follow up with a results letter.
