Headteacher's Message

Dear Parents/Carers,

How quickly this year has gone, already we are about to begin the Christmas festivities! Please check the diary dates on this newsletter as there are lots of things going on.

The Key Stage 2 Christmas Fair begins at 3.15pm this year to give everyone a chance to come along. It is open to all parents and there are many different stalls and items to browse and I will be cooking the hot pork sandwiches! I look forward to seeing you all there.

Early Years and Key Stage 1 are busy preparing their Christmas productions for you so that should be very exciting and the children are positively brimming with excitement.

I hope many of you will be able to come to the **Carols by Torchlight** evening on 16th December at 6:15pm. This event is free to all who wish to come along, sing some carols, listen to our choir and enjoy a lovely Christsmassy feel just before we break up. A letter will be coming out soon for you to let us know how many people from your family will be coming, there are no tickets so please just come along, wrap up warm and bring all the family (and a torch or two).

In other news you may have noticed that the KS2 playground development has stopped over the last few weeks. We have had the surveyors in to inspect the groundworks and they have asked us to add some additional retention to the log wall. This may take a while to complete so I apologise for the half-finished appearance but the climbing frame is still perfectly fine for pupils to use during the day and we will aim to complete the additional works as soon as possible. New lighting and windows will be installed during the Spring Term so the school should look much brighter and smarter soon inside and out.

Please remember to make sure you request a school dinner on 15.12.15 or send your child with a packed lunch as no other food will be served on that day and we need to know the numbers for the catering team to ensure there is enough food available.
