## Headteacher's Message

Dear Parents/Carers,

Just to remind you that from Monday 18<sup>th</sup> January our new safeguarding and safety arrangements will be in place.

Parents of Upper School, please ensure that you have completed and returned the consent slip if you give permission for your child to leave the site unaccompanied or make their own way home. Pupils that have not returned the consent slip will automatically not be allowed to walk home alone from Monday.

For families with more than one child attending Netherbrook, please remember that a responsible adult must collect the youngest sibling/child. Older siblings can move through the school to be collected with their younger sibling.

The temperature has certainly dropped this week! In the event of significant snow fall please check the school website from 7:00am and tune in to Free Radio Black Country for details. Please also make sure your mobile phones are switched on and the office have all your up to date numbers as we will also send out a text to all parents.

Thank you for your continued support and have a lovely weekend
