'Friends of Netherbrook School'

We are a small group of parents who try to raise money to help all of our children in school. We realise that everyone has busy lives, a lot of us work and have other children to look after. If you can spare any time to attend meetings it would be gratefully appreciated. If not you can help by supporting our stalls at the learning fayres and assisting with the disco's we run. These events take a lot of time and effort to organise. Last year we raised £2110 for our children - of which £1775 has already gone back into school and we plan to do the same again this year.

Please help support us Thank you

Headteacher's Message

Dear Parents/Carers,

As some of the children may have mentioned we have had our interactive class boards changed this week. We have removed the projectors and old style interactive whiteboards to be replaced with 80 inch flat panel monitors. These will offer extra features and better quality images in classrooms. Have a look at them if you get the chance. They are fantastic.

The football team played away at Sledmere Primary School on Wednesday evening and won **14-0**. This was an amazing feat from our players and I think they deserve a big well done. Man of The Match was Ieuan in Year 6 so well done to him. Local bragging rights remain ours for the moment! More games will be coming up soon, so I hope you can come along to support.

Can I please request that all parents and carers make a concerted effort to drive more considerately around the neighbouring streets. Some cars are driving very fast after dropping children off/collecting. Please help us to make sure that the worst never happens and no child is ever knocked over outside of the school.

Hopefully your children have come back recently and spoken about our current focus on Anti-Bullying and respect in school. We are focussing on these issues in our assemblies and PSHE lessons during this term. Please talk to your children about what to do if they feel that someone is being persistently unkind to them. The Department for Education describes bullying as: **'Behaviour, usually repeated over time, that intentionally hurts another individual or group physically or emotionally.'** So please help us to help your children by teaching them to firstly say STOP to the person being unkind and then TELL someone who can help.

We have also written new **British Values** and **Anti-Radicalisation Policies** and have revised our **Anti Bullying Policy**, which will be posted for your information on our website next week.

Student of the week w/c 1st Feb 2016
