## Headteacher's Message

Dear Parents/Carers,

It has been a hectic week in school this week. So here are a few updates.

We are saying goodbye to Mrs Collins today which is very sad ☹. As I said in my letter previously, I would like to wish her the very best of luck in her new position and express my thanks for her hard work and commitment to our pupils for the last 4 years.

Year 6 have completed a 'Mock SATs' week this week so the teachers will be sending home information about last minute revision techniques and scores next week. If you have a child in Year 6 please do support them as much as possible: complete all homework set, go through revision guides and do whatever practise you can with them. It will make a difference.

As you will have now noticed the new windows are well underway. Please be vigilant and careful as you make your way around the site. The project should be complete by half term, the school should look a lot better very soon.

Our football team have been in action this week. In a hard fought and somewhat contentious game against Thorns our team lost 3-2. They are in action again tonight in the cup versus Milking Bank, this match is away.
