Headteacher's Message

Dear Parents/Carers,

I hope that you had chance to read our **safeguarding** improvements letter last week. If you missed it or would like another copy to read then please contact the school office.

Well done to **4F** who were exemplary in their behaviour on their visit to the **Hindu Temple** this week. They learned a lot and enjoyed their visit.

I have a favour to ask. We have been asked by the University of Worcester to create a **short video about our leadership team** here at Netherbrook. We would like to have a few positive quotes from parents (hopefully there are some out there) to go in the video, if you would like to be involved please fill in the small response slip in the corner of this newsletter and return to the school office next week. The University is interested in how change has been managed under this leadership team and how the school has moved forward in the last 4 years. Obviously, we are also more than happy for parents to send in comments about how we could improve leadership further.

We have an epic amount of **lost property** in school at the moment. If your child has lost anything recently then please come and check to boxes in school. Many items do not have names in and are unlikely to be returned to their owners, these will be either sent to local charity Shops or placed in the school uniform bank when we break up for half term on Friday 17th February. So please come and take a look.

Leadership Team Comments Box.

Tyler Bate

I'm sure many of you read about Tyler Bate in the news a few weeks ago but I felt it important to mention him in our newsletter. Tyler was a pupil here at Netherbrook and left in 2008. His dream was to become a professional wrestler and to make it in the WWE.

Well Tyler has achieved his dream and was recently crowned WWE United Kingdom Champion. Tyler shows that any of our pupils can achieve their dreams no matter what they are, if they are prepared to work hard and persevere. Think big and aim high!

All the staff and pupils at Netherbrook would like to say a big congratulations to Tyler and wish him all the best for what promises to be an amazing career. In case you weren't sure, his very proud mother is our very own Mrs Bate!
