Dear Parents,

I thought this week would be a good time to update you on what has happened in the 6 months after forming the Learning Link Multi Academy Trust back in November.

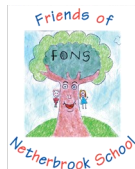

Over the last 6 months we have been working hard to ensure that the school is financially viable and that all of the new academy business and financial systems are in place.

School leaders and staff have also been involved in a wide variety of 'audit/inspection days'. Back in December we had a teaching and learning visit where we were inspected on the quality of our lessons, and pupil behaviour. Both results came back with excellent reports. Pupils commented that they feel very safe in school and that behaviour is very good. The quality of lessons observed was also very good with the creativity and personalised approaches to learning being praised.

In February we were inspected on the quality of our safeguarding arrangements. I was very pleased that our results were excellent with many aspects of our safeguarding systems being considered excellent practice for other schools to use as a model for their own practice.

Just last week we were inspected on the quality of school leadership. Again this was judged to be excellent with a good capacity within the leadership team to help the school to improve further.

Over the next few months we will be inspected on the quality of our arrangements for SEND pupils and those pupils entitled to the Pupil Premium funding.

Our summer term disco raised an amazing £596 which is great amount!

The children enjoyed themselves showing off their dance moves

FONS AGM Reminder: The AGM will take place Friday 4th May 1.30pm in the school community room.

Everyone is welcome!

Congratulations to Netherbrook Football Team who won against Withymoor Primary School last week.

5-4 Close match but they did a fantastic job!
