Dear Parents and Carers,

Apologies for any confusion regarding dates for Parents Evening. The date of Parents Evening is Thursday 26th March as originally stated. This is an important event so please make every effort to attend so that you can look through your child's books and speak to their class teacher about their progress.

It has been a very busy week in school with puppet shows, swimming and football competitions. Well done to 4FR for their fantastic class assembly all about water and how important it is to us.

Next week sees 2Hs class assembly, the Animal Man in Year 1, the Behaviour Champions special day on Wednesday and the EYFS Parent Workshop on Thursday. So it is another busy week.

We have a large number of children in Year 3 still very tentative in the water at swimming – this is why we take the two year groups swimming, but if parents can find time to take children in between the school lessons then this will improve their confidence significantly.

Well done to the first Students of the Week of 2020, there were some very proud parents in assembly this morning.

Just a quick reminder that the school will be closed for INSET on Friday 14th February – this is the last day of this half term and has been planned to enable families to hopefully take advantage of a long weekend or slightly cheaper half term holiday.

Letters regarding attendance have been sent home this week. These letters are meant to inform parents if their child's attendance is below the National Average of 95% and ask that you do your utmost to improve this. Thank you for your support.
