Dear Parents and Carers,

This week I must start with a big well done to our school football team. They reached the Semi Finals of the Danone West Midlands Football Trophy on Saturday morning and were sadly knocked out on sudden death penalties. It was a very disappointing way to go out of the competition but they played brilliantly and were unbeaten in all of their matches. A big thank you must go to the parents who made sure that all of the team were able to play and your support was fantastic.

We have had another very busy week in school. Earlier this week we had a SEND Review with the LLMAT Central Team, the remit was to look at the provision offered to pupils on our SEN register and see what we might be able to do even better. This was a very useful process and one that has been replicated in all 4 LLMAT schools. The report was very positive and we will be improving the MyPlan structure and ensuring more work is done to embed these plans into daily teaching as well as in intervention groups after half term.

The Governors have spent the day in school today. They scrutinised the new communication friendly spaces in school, looked at pupils work, visited lessons and spoke with pupils about school. They also met with key staff to ensure that the Governing Body has a complete picture of what is happening in school. Their feedback was very positive. Governors commented on the positive, friendly and happy pupils and the lovely lessons and displays in school. Governors will visit again later in the year and will speak with the school council as well as looking at the progress and attainment being achieved in school. They will also be attending Parents' Evening in March, so please don't hesitate to approach them if you have anything you would like to discuss. Pen portraits of our Governing Body are available on the school website.

Please don't forget that we break up for half term on Thursday 13th February next week. Friday is an INSET Day and the school will be closed to pupils. We return on Monday 24th February at the usual time.

Have a great weekend 😊
