Friday 10th February 2023

Dear Parents and Carers,

It's been wonderful today to see most of our children joining in with the Mental Health Week events organised by Dudley performing Arts. Over 10,000 children in Dudley have been joining in with a collective song about mental health and how we are stronger together. Very true and important words.

The same applies to adults. If you are experiencing any concerns, worries or just need someone to call you could contact the Samaritans who are always available to talk 24/7. Call 116 123.

The children have all loved dressing up today and many have expressed themselves in lots of wonderful ways - we have had Harry Potters, Karate experts, BMXers and all manner of football and TV programmes represented. Anybody wearing WBA shirts has naturally been sent to the school dungeon for the day!

Next week is St Valentine's day on Tuesday. I'll be talking to the children in assembly on Monday about how love is important and how it makes the world a better place, but above all 'Love should never hurt!' An important message for young minds to absorb.

We will also be holding another Mufti Day on Friday (my apologies for two in a row) but this week was also Kidney Cancer Awareness Week. We couldn't do it this week, so next Friday we will be wearing green to support the amazing work that continues to battle cancer of all kinds - something that many of us will have experience of in our lives or the lives of others in our families. Please try to send your child wearing something green with a £1.00 donation (or whatever you feel is appropriate).

Our ParentPay system is now nearly complete. Hopefully after half term we can start taking internet payments for trips, dinner money and other purchases. The admin team will send further information out about this soon.

Have a great weekend!
Mr Rawlings

*Frankie S, Freya H,
Lottie-Lou W, Anisha A,
Alyaan A, Billy-Jo B,
Amber-May H, Harnek R,
McKethan L, Sophia P,
Jack R & Isea M*

Mathleteician of the Month

Y5/6 Mathleteician of the Month for January is Olivia G (6J). Olivia is really committed to doing extra maths practice at home using Mathletics. In January, she signed into Mathletics an amazing 26 times and worked for almost 22 hours! As a result, she is the first person to earn a silver certificate in Mathletics this year. Well done Olivia - fantastic effort!

A bronze certificate is earned when 1000 points are achieved on Mathletics in a week; to earn silver you must do this 5 times. A gold certificate is rare - earned after 4 silver certificates which would take 20 weeks of sustained effort.

Who will be first to earn a gold certificate?
